HERE AND THERE

Sandusky has voted to pave its streets. The state will pay for a 20-foot pavement through the main street, but the city must bear the cost if it wishes it wider and most of the citizens want a 50-foot road.

The Independent Sugar factory at Marine City is employing 250 persons with a daily pay roll of \$15,000. About 600 ton of beets are sliced every 24 hours and 130,000 pounds of sugar produced in that time.

There were two applicants for the position of postmaster at Minden City at the Civil service examination held at Carsonville a few days ago, Herbert Mahon, formerly principal of the Peck school and Miss Edith Yager.

The deal at Marlette whereby Dr. J. C. Webster sold his recently acquired practice to Dr. C. G. Woodhull, of Decker, failed to be completed and Dr. Webster has made arrangements to stay in Marlette and not locate in Port Huron.

It is the claim of the labor unions that no strike is called without a direct vote of the men who would be called out if a strike be ordered. Wonder if the union leaders would advocate the enactment of a law requiring a sealed secret ballot on the strike question?

William R. Chisholm, an old resident of Elk township, died recently from gangrene. A few days before he died, a leg was amputated which was hoped to save his life, but his age was against him. He had lived in Elk for about 50 years and was highly respected.

The Michigan grange is going into the political game in Michigan next year. At a recent convention at Grand Rapids sentiment was divided as to whether Milo D. Campbell, of Coldwater, or John Ketcham, of Hastings, should make the run as the farmers' candidate. The name of N. P. Hull, of Dimondale, has also been suggested for governor.

The right-of-way for the Handy railroad between Marine City and Detroit is being secured and not much trouble is anticipated as about 75 per cent of the property owners have already signed up.

The road will in all probability be extended next summer. It is said that the Handy road will connect with the Pennsylvania belt line on the outskirts of Detroit, and in this way get running rights into the big city.

DOES YOUR BACK ACHE?

It's usually a sign of sick kidneys, especially if the kidney action is disordered, passages scanty or too frequent. Don't wait for more serious troubles. Begin using Doan's Kidney Pills. Read this Yale testimony:—

Bert Jackson, says: "I can conscientiously say that during the last ten years I have used Doan's Kidney Pills occasionally with the greatest of relief. Sometimes my back ached so much I thought it would break, and then again, sharp biting pains would catch me, making me wince with pain. The kidney secretions were scanty and irregular in passage. By using Doan's Kidney Pills at these times I have always been benefited. Doan's have removed that aching and pain in my back, put my kidneys in good shape and made it possible for me to do more work."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Jackson had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

State of Michigan, In the Probate Court for the County of St. Clair. At a session of said Court, held at the Probate Office in the City of Port Huron, in said county on the 5th day of November, A. D. 1919. Present, Hon. Hugh H. Hart, Judge of Probate. In the matter of the estate of Mary Ann Willoughby, deceased. George H. Willoughby having filed his petition with this Court praying it to adjudicate and determine who were the lawful and legal representatives of the said deceased at the time of her death, and their respective rights in and to the real estate whereof said deceased died seized, and also to determine who are now entitled to the same and the share or portion of each. It is ordered that Monday, the 8th day of December next, at 9:00 o'clock in the forenoon, at said Probate Office be appointed for hearing thereof: And it is further ordered, that a copy of this order be published three successive weeks previous to said day of hearing in the Yale Expositor, a newspaper printed and circulating in said county of St. Clair. HUGH H. HART, Judge of Probate. A true copy. Geo. L. Brown, Probate Register.
